

## Student Course Questionnaire

### What do we want?

We want you to tell us about your training so we can improve what we do. The questions below if it says course it means the course (eg: First Aid) Unit that you have just done with TITEB. If it says Trainer it means the person that taught your course. Use a pen to fill out the form and only give 1 answer for each question by putting a **X** the one you think is best for you.
